

MSPA Banner Request Form

The Michigan Sheep Producers Association has MSPA promotion banners available for use by members to highlight the association at appropriate public events. One banner is a table top stand measuring 24" by 36" and the other is a retractable banner stand measuring 31" by 78". The banners have the same graphics, just different sizes.

The MSPA Executive Director is in charge of the banners. Upon request by a current MSPA member, the director will see that the banner is delivered to the requesting person at the expense of MSPA. The Executive Director will be the judge of appropriateness and availability of the event involved.

It is the responsibility of the banner user to return the banner to the Executive Director by the agreed upon date and at the user's expense unless other arrangements are made with the Executive Director.

Requestor _____ Current Date _____

Address _____ Town _____ Zip _____
