

## 2022 MCLA Youth Challenge Guidelines

The awards date and location TBA.

Welcome to our 20th annual Youth Challenge! Please read the guidelines so you are aware of the process. **\$20 entry fee by May 1st, \$25 entry fee after May 1st.**

The 2022 guidelines are:

1. Entrant must be 7 years old by January 1, 2022, but not older than 21. Showmanship and Educational divisions age groups awards are as follows: 7-11, 12-14, 15-17, 18-21 as of January 1, 2022.
2. Entrant must be a resident of Michigan for more than 6 months in each calendar year and must attend a Michigan School (exception made for Michigan resident college students attending out of State Institutions).
3. Entrants must show in a minimum of 5 shows to qualify for any award.
4. Several locations are now offering double shows (two shows in one location on the same day). For purposes of the Youth Challenge, in order for a day to count twice there must be 2 lamb shows, 2 educational events, and 2 showmanship shows (*judged by 2 judges concurrently with **both** results announced the day of the show*). Show managers may break one educational test into 2 different scoring groups with approval of the on-site MCLA Club Lamb Committee member.
5. Entrants will show their own lambs unless they have multiple lambs in a class.
6. There will be 4 award divisions per age group: MARKET LAMB, COMMERCIAL EWE LAMB, SHOWMANSHIP AND EDUCATION. The 5 highest point shows will be determined for each exhibitor and then tabulations for all category and age divisions will be sorted and ranked using the high placing points from an exhibitor's top market lamb and top commercial ewe lamb at each show along with showmanship and educational contest placings. Exhibitors are not limited on the number of sheep shown, but points will only be counted from the highest placing market lamb or commercial ewe lamb classes. Classes at sanctioned shows will be worth a maximum of 50 points.
7. The scoring for all classes will break as follows:  
1st Place - 50 points    2nd Place - 48 points    3rd Place - 46 points    4th Place - 44 points  
5th Place - 42 points    6th Place or lower - 40 points
8. Shows may offer additional breeding classes such as yearling ewes and rams (as non-point earning classes) and may break market classes by breed and/or weight.

**9. There is no entry deadline for the contest, but the MCLA will only tally results from the date of paid entry forward. Youth Challenge entry payment needs to be postmarked before the first show or given to a MCLA Youth Challenge representative before the start of the education contest at their first show.**

**10.** Ties will be broken based on the members' 6<sup>th</sup> show point total and subsequent shows until a tie is broken. If a tie is not broken, showmanship placings will be used for overall age awards and high point awards.

**11.** All decisions made by the MCLA Youth Challenge Committee are final. The main form of communication will be the website and FaceBook Page. Please check both regularly to see any updates of information regarding shows, rules, and announcements. Participants will have 10 days from each show's posting of points to fix any errors that may have occurred with placing and/or point allocations by working with show managers first and MCLA contacts second.
